Dear Friends,

Have you ever really thought about the resurrection and what it means?

In the first place it vindicates all that Jesus said and did. He made some very extravagant claims for Himself and people demanded a sign. He reluctantly said they would have only the sign of Jonah.

Jonah was a prophet from long ago who'd been famously tossed overboard and apparently died in the stomach of a large fish only to be miraculously coughed up on a beach, alive and well, three days later.

Jesus in effect said, **"If this doesn't happen to me, then you can forget it. But if I die and am raised back to life on the third day, then you should listen to all I've said and taught!"**

Way back in November of 1982 when George Bush senior was Vice President, he represented the U.S. at the funeral of former Soviet leader Leonid Brezhnev. Bush witnessed and was deeply moved by an almost unnoticed, silent protest carried out by Brezhnev's widow. She stood motionless by the coffin until seconds before it was closed. Then, just as the soldiers touched the lid, Brezhnev's wife performed an act of great courage and hope, a gesture that in its day was a profound act of civil disobedience: She reached down and made the sign of the cross on her husband's chest.

There in the citadel of secular, atheistic power, the wife of the man who had run it all, hoped that her husband was wrong. She hoped that there was another life, and that life was best represented by Jesus. She was right. Her husband was wrong. The resurrection is the proof of that.

The resurrection gives us hope! And we have hope in the present, in spite of world events, because the resurrection gives us the certain hope of heaven. Jesus died and rose 3 days later. This is the most profound event ever to occur here on earth. He did what He said. We should listen to Him with joy, for His resurrection demonstrates that on the cross He paid the penalty for our sins and opened the way to heaven for us as He said He would! It shows we can be forgiven our sins and made right with God.

Do you share this resurrection hope?

If you want to celebrate Jesus' death and resurrection, or have questions and want to hear what the Bible says about His death and resurrection, then do join us for one or more of our services over the Easter period. Everyone is welcome!

God bless you all,

Roger
