A MESSAGE FROM BISHOP PETER The diocese has been debating about how it is best able to meet the missional challenge that we now face. Bp Peter has written a paper and would like to know what members of local churches think on the issues he raises. This is going to be done through deaneries: In Wirral North we are intending to hold a discussion evening on Thursday 19th July, at 7.30pm at St Michael's, Pensby. Anyone in the deanery who would like to express a view or be part of the discussion is welcome. The full paper can be found on the Diocesan website at

Church family news

APOLOGIES BUT WE NEED YOUR CONSENT due to the change in the data protection law. We need EVERY church member to complete a consent form mainly so that we can contact you and produce our prayer contacts diary. There is a table in the foyer where you can fill in a form. Please place completed form in the white basket. Thank you.

THANK YOU to everyone who has given food/money to the foodbank, £375.67 has been raised over the last 3 months, which is helping in the shortfall of food donated across Wirral. Sadly, the number of people in crisis using the food banks is still rising.

THANK YOU TO JOE TUCKER a reliable, diligent, cheerful member of the Morning Tea/Coffee Team and all consumers! Joe has spent two years helping as part of his Silver Duke of Edinburgh award and now his Gold award. Thank you, Joe. He is willing to keep helping where needed but has also been accepted this summer to assist with the Keswick Convention Youth Ministry Team. Congratulations, Joe.

JOAN BARRON would like to thank everyone for their kind wishes and words of support following her recent diagnosis and operation. To date, everything is going well and your prayers have been and are very much appreciated. She is currently awaiting to start her follow-up treatment.
