

Data Subject Information Request Procedure

When a data subject makes an access request to see what data is being stored about them by Holy Trinity Church and associated church-run groups, they are to make that request through the church office. The Church Administrator will be responsible for either supplying the information requested, or for obtaining that information for the data subject from the relevant source.

Our church office contact details are:

Address: Church Office, Holy Trinity Church, Chorley Way, Spital, Wirral, CH63 9LS

Email: office@holytrinityspital.org

Phone number: (0151) 334 9815
